

35mm Film Project

This project has 3 distinct parts; looking at contemporary or past photographers, understanding how to use and load a 35mm film camera, and how to make enlargements from the negatives you will develop.

Part 1: You will look at the following links or complete your own research.

In a word .doc, name the three artists you have chosen, along with three works of their art for each artist. Explain what you like about each artist's style and the three pieces of art you have chosen.
