

## Final Art 9 project

This project has 3 parts:

**Part 1:** Choose 3 artists from the following links, or artists that you already know.

[Pop Artists](#)

[Group of 7](#)

[21<sup>st</sup> century artists](#)

In a word .doc, name the three artists you have chosen, along with three works of their art for each artist. Explain what you like about each artist's style overall, and the three pieces of art you have chosen in particular.

**Part 2:** In your sketchbook or in a digital document, create 3-5 numbered sketches of what your final artwork will look like. It *COULD* be influenced by one of the 3 artists you have chosen, but it could also be something completely of your own invention. This must be shown to me, and describe size and medium!

**Part 3:** Create the piece!
