

Sketchbook Cover

This is a pretty simple assignment; you'll be creating a cover for your sketchbook.
You are welcome to use any medium that you like (India ink, water colour, graphite, etc.)

Really, the only requirement is that you include your name and contact info (phone number and email) on the top left inside cover corner!

Here are a few options if you are having trouble coming up with ideas:

- A collage
- Paste an image from a magazine onto the cover and continue the drawing in graphite (pencil.)
- A pencil drawing
- A perspective drawing
- Feel free to use colour...paint, markers, pencil crayons
